HEALTH REPORT:

I am diabetic. I have a cataract in my left eye. I have limited hearing in my right ear. I'm just getting old. I have lived most of my life in prison.

THE WOMAN I AM NOW:

I came to SCI Muncy when I was 23 years old. I had no education and learned everything I know at SCI Muncy. I am now 58 years old and if I'm given a second chance, I want to apply my experiences and knowledge to help people.
