### **Spiritual Life:**

Although I am no longer practicing Islam, that experience helped me to connect with God. Now I consider myself Spiritual.

### **THE WOMAN I AM NOW:**

The woman I am now is still learning more and more about herself. I'm no longer the victim and I have learned to take responsibility for my incarceration and all of the harm that I have caused. I've become grateful for the small things and I try to see the good in everything. I still have much more to work on, but I am thankful that I finally have some light in my life.
